REASONS FOR ALLOWANCE

Response to Amendment

The Applicant's Amendments and Accompanying Remarks, filed 26 September 2006, have been entered and have been carefully considered.

In view of Applicant's amendment to Claims 3 and 5 to include proper Markush language and sufficient antecedent basis, respectively, the Examiner withdraws the previously set forth 35 U.S.C. 112, second paragraph rejection as detailed in the Claim Rejections - 35 U.S.C. 112 section of the Office Action dated 03 May 2006.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest the claimed process of using chromic acid (see Claim 1, step c) when preparing pencil lead from spent pot liners as explained in Applicant's Arguments filed 26 September 2006, paragraph bridging Page 14 and Page 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
